

## High School Student Urban Nature (SUN) Internship Program Application: Short Answer Questions

Provide a response to the following questions (no more than 3-6 sentences). **Include your resume as an attachment to your application. Email both documents to [naiyiri.brooker@naturalareasnyc.org](mailto:naiyiri.brooker@naturalareasnyc.org)**

This application is due Monday, January 27th 2025, 5:00 PM EST.

1. What do you hope to learn from this program? What intrigued you to apply?
2. From your perspective, why is nature important in urban settings such as New York City?
3. Describe something about the natural world that fascinates you. If you had unlimited time and resources, how would you go about gaining a better understanding of this topic or issue?
4. Tell us about an accomplished skill of yours that you are confident in. What energized you to learn this new skill?
5. Tell us about a local issue you care about. What have you done or what would you do to make change?

Finally, prepare a 2 minute oral presentation explaining a science project from class or from a science fair that you worked on. *This section will be covered during your interview - you do not need to write an answer to this question.*
